TESTIMONIALS

"Genesis Cinema has proven to be the perfect venue for our annual DarkFest. An excellent old fashioned independent cinema with a magnificent big screen that showcases films to stunning effect, staff is also extremely helpful and friendly and go out of their way to make sure things run smoothly on the day. The atmosphere is cosy and intimate and the food and drink facilities are first class. We would always choose The Genesis over any other cinema in London."

ALLAN BRYCE (DARKFEST)

"I am very happy to present foreign language films at Genesis Cinema since 2018. What I like is the spirit of the building, the great staff, the sound and picture quality, and the style of the cinema itself. I highly recommend it!"

EMIL RUSANOV (GRAND BG EVENTS)

"It's been our great pleasure to work with Genesis over the last two years on our literature programme for local schools. Everyone there makes us - and our schools - feel so very welcome and we are continually grateful for their supportive and creative approach to our events. We look forward to working with them again this year."
